

Function: Bygglådan is a storage box designed and tailored to work together with VSB's entire product range within screws and attachments.

- Flexible and weatherproof.
- Robust carrying handle centred by weight, which means that the case hangs straight and does not strike your leg.
- Guide rails in base and foam plastic in lid hold the packages in place even when the box is not fully packed.
- Two side handles facilitate transport of multiple boxes.
- Accompanying labels for indicating content in each box.
- The material in bygglådan is recyclable.

Bygglådan is only available in multiples of five.
