

Product datasheet

Flooring screw drill tip for wood stud

V/S/B
VÄSTSVENSK BYGGSKRUV AB

Function: Reduced drill tip and threads adapted for anchoring in wood. The threads grip immediately and tighten the screw to the wood floor, as the head sink in by itself.

Track type bit: Square 1.

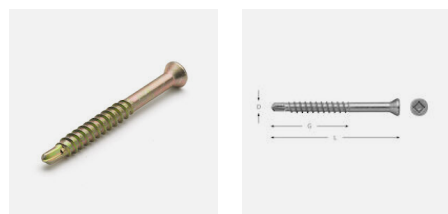

Material: Case hardened steel.

Coating: Zinc-plated 5 my yellow, for indoor use.

Sizing: About 10-16 pcs/m².
