

Product datasheet

Nylon plug UNIVERSAL

Function: Solid plug with good temperature and ageing properties. The plug has a four-sided anchoring section and is designed to be used with most building materials such as concrete, lightweight concrete, hollow block etc.

Material: Nylon.

Installation instructions: Drill a hole adapted to suit the size of the plug as shown in the table below. Push the plug into the hole until the collar is firmly flush to the fastener. Now screw in the screw adapted to suit the plug as shown in the same table. The length of the screw should be about 5 mm longer than the plug and attachment together.

D	L	Max comp. thick. app. mm	Drill mm	Screw dim. mm	Art.no	Quantity	Pack.	MB
