

Product datasheet

Speed plug + Electrical screw

V/S/B
VÄSTSVENSK BYGGSKRUV AB

Function: Self-drilling attachment for easier installation in plasterboard.

Material: Zinc plated and case hardened steel.

Installation instructions: Screwed directly into the drywall without drilling. The fastening is then fitted with the screw that is adapted to suit the attachment as shown in the table below. The length of the screw must be the thickness of the fastening plus at least 23 mm.
