

Function: The nail plug has a solid nylon plug with pre-assembled nail. The nail is cam-threaded and has a bit head. It is therefore very easy to disassemble after installation. The nail plug is designed for use in solid materials such as concrete, stone and solid tile.

Track type bit: Pozidrive 2.

Material: Plug of nylon and nail of steel.

Coating: Zinc-plated 5 my, for indoor use.

Installation instructions: Drill a hole adapted to the size of the nail plug as shown in the table below. Now push the nail plug into the hole until the collar is firmly flush to the fastener. Now knock in the nail with a hammer.
