

Function: The metal nail plug includes a zinc plug with pre-assembled nail and is designed for installing in solid materials such as concrete, stone and solid tile.

Material: Plug of zinc and nail of steel.

Coating: Zinc-plated 5 my, for indoor use.

Installation instructions: Drill a hole adapted to suit the size of the metal nail plug as shown in the table below. Now push the metal nail plug into the hole until the collar is firmly flush to the fastener. Now carefully knock in the nail with a hammer.
