

Function: Thonic tc-rd is a round inspection hatch fitted with a surface mounted frame. Installation is very quick as the fastening plates are pre-assembled and knocked out with a hammer behind the first drywall board or between the drywall boards when installed in double drywall. The hatch comes in standard sizes from Ø 150 to Ø 400 mm. Thonic tc-rd is delivered white painted, NCS S 0502-Y. The hatch is fitted with a quick snapping lock. Thonic tc-rd can be customised a recessed design using alternative sizes, in any colour or with optional accessories such as a range of different lock models, etc.
